

Northeastern University Library and Archives Orientation
Northeastern University Archives and Special Collections
Molly Brown, Reference and Outreach Archivist, mo.brown@northeastern.edu

Session Goal:

- Introduce students to the physical space and resources available at Northeastern University Library.
- Introduce students to the variety of archival collections at Northeastern and the ways they can collaborate with the Archives.

Proposed Session Outcomes:

- Students will become familiar with both the Library and Archives and Special Collections.
- Students will have connected with two staff members in the library they can turn to with questions.

Session Outline:

- I. Library liaison led tour of Snell Library
 - A. Visit each floor of the library and learn about the resources and experts available for students.
- II. Archives open house
 - A. Explore archival material from both Northeastern records and the records of Boston's social justice organizing.

Material pulled:

- [Office of the Provost records](#)
- [Office of the President \(Knowles\) records](#)
